

BRAND PROTECTION

Secure your domain

1

STEP

Domain Complaints

Take down copycat domains by complaints to registrars and hosting providers.

2

STEP

Transfer Domains with UDRP

Claim transfer of infringing domain names through ICANN's dispute resolution process.

3

STEP

Trade Mark Registration

Secure your brand with TM protection across multiple jurisdictions

.com

1

DOMAIN COMPLAINTS

Registrar Complaints

File complaints with registrars against copycat domains for DNS abuse violations to block the domain.

Up to 1 month

Hosting Complaints

Submit complaints to hosting providers in order to delete the unlawful website content.

Up to 2 month

Google Search notice

Remove infringing domains from Google search results via DMCA complaints.

Up to 1 month

Counter Notices

Protect legitimate domains from false Google Search strikes.

10-14 days

UDRP PROCEDURE

UDRP is a standard procedure established by ICANN to resolve disputes over domain names, particularly cases of cybersquatting. It provides a faster and more cost-effective method than court proceedings for trademark owners to obtain the transfer of copycat domain names.
